

DAVID WOLFF

EdD(c), MAdEd, BClinPrac, A-EMCA, CMM III

ABOUT ME

PHILOSOPHY

I have a sense of adventure and a desire to enjoy life. I emphasise faith, life-long learning and work/life balance, where work is what I want to do, not what I have to do

ATTITUDES

I am a dedicated and creative leader who values integrity and strong work ethics, as the foundation of my servant-leadership approach. Honest, fair, and caring, I balance strategic planning with adaptability, excelling as a problem-solver and collaborator. Grounded in lifelong learning and guided by faith, I bring professionalism, enthusiasm, and a positive outlook to every challenge. My goal is to support growth, well-being, and direction for those I serve.

Core Values & Leadership

- Grounded in faith in God and servant leadership
- Integrity, honesty, fairness, and compassion
- Strong work ethic and commitment to others

Strengths

- Strategic planner and innovative problem solver
- Flexible, adaptable, and collaborative
- Professional, enthusiastic, and resilient

Outlook

- Positive, perceptive, and self-aware
- Belief in lifelong learning as essential to growth
- Dedicated to supporting well-being and development of others

Paramedic - Manager - People Leader - Traumatologist - Adult Educator - Chaplain

Knowledge, Skills, and Attitudes

My combined experience as a paramedic, manager, educator, academic, and chaplain across both public and private sectors has prepared me to lead effectively in diverse contexts. This background has equipped me with the expertise to serve in all areas of Paramedic and First Responder Services, with particular strengths in organisational and people management, organisational change, education and training, safeguarding physical and psychological well-being, and fostering both personal and professional growth.

KNOWLEDGE & SKILLS

With 39+ years in paramedicine—spanning frontline care, education, and leadership—I bring a unique blend of expertise as a people leader, operational manager, traumatologist, educator, and chaplain. I have guided teams through training, growth, and development, implemented complex operations and projects, and supported paramedics in navigating their challenging roles. My experience is underpinned by advanced education in paramedicine, adult education, resilience, and traumatology, complemented by hands-on clinical practice, program coordination, and university teaching. Grounded in both professional and spiritual perspectives, I integrate research, reflective practice, and transformational learning to foster learning, performance, resilience, and well-being in the people and organizations I serve.

Manager

- Plans and implements projects: resource allocation, policies, and procedures
- Manages daily operations: fleet, inventory, equipment, supervision, health and safety
- Ensures standards and compliance: professional, legislative, and quality-focused
- Technology and finance savvy: systems management, reporting, budgeting, and fiscally responsible

People Leader

- Supports staff growth through motivation, skill development, and feedback
- Demonstrates servant leadership: creates a safe, communicative environment
- Skilled in education and training: program design, facilitation, and evaluation
- Builds relationships: collaborative, fair, honest, and persuasive in communication

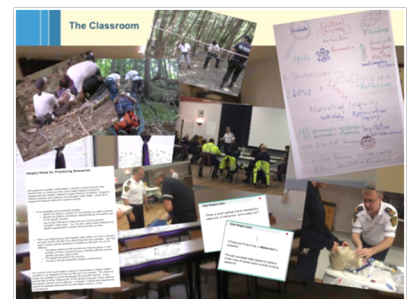

Traumatologist

- Specialist in paramedic wellness, PTSD prevention, and resilience
- Advanced education: master's and doctoral studies in resilience and traumatology
- Research-driven: Integrates spiritual perspective, narrative identity, reflective practice, transformational learning, and posttraumatic growth

Adult Educator

- Specialist in online, face-to-face, and blended learning
- Advanced education: bachelor's, master's, and doctoral studies in adult education theory
- Skilled in program coordination/implementation
- Instructor-trainer in all first aid and first responder disciplines - urban & wilderness

Chaplain

- Specialises in trauma
- Provides support to first responders
- Individual or group programs

Experience

- Frontline paramedic
- Entrepreneur (Patient Transfer Service)
- Paramedic program coordinator/instructor
- Paramedic Manager: (Commander/Acting-DC)
 - Operations, QA, Training, First Response Teams, Public Access CPR/AED
- LMS specialist/Educational Consultant
- University professor
